1. Irrigation turn-ons are scheduled for the week of April 20-24. Please ensure that a functioning backflow prevention device is installed before this date. If your device froze or was damaged last year, it must be replaced—irrigation water service will not be turned on without a working backflow device.
2. The planning team is looking for your feedback on the draft Official Community Plan. They are hosting two open houses – tomorrow (Wednesday) April 8 from 3pm – 7pm and Thursday, April 9 from 9am-1pm. Both will be held at Municipal Hall. Chat with the Planning team and help shape Lake Country’s future. Take the survey online at [letstalk.lakecountry.bc.ca](http://letstalk.lakecountry.bc.ca)

Respectfully Submitted.
