The parcels are identified on the maps within the application and located within the area known as the “Glenmore Industrial Lands”.

The role of Council is to hear representation from those persons who wish to provide comments regarding the proposed application. Everyone who wishes to speak shall be given the opportunity to be heard. No one will be, or should feel, discouraged or prevented from making his or her views known. However, it is important that all who speak at this meeting restrict their remarks to matters contained in the proposed amendments and it is my responsibility as Chair of this meeting to ensure that all remarks are so restricted.
