## Wildfire Risk Reduction Fuel Mitigation Work on Spion Kop

Hikers, Spion Kop trail users, and residents may notice crews working on Spion Kop doing some machine and hand thinning, pruning, surface debris clean up, piling and burning of debris, in an effort to reduce the wildfire risk in Lake Country. Plumes of smoke may be visible during this work which will continue through the month of February. In the interest of public safety, please stay out of marked work areas, and pay attention to signage and direction from crews.

## Utility Invoices in the Mail

Fourth Quarter Utility Invoices are in the mail with **payment due February 15**. This invoice covers usage from October 1 to December 31, 2022. Property owners in Lake Country now have garbage, recycling and sewer user fees, if applicable, on their Utility Invoices in addition to the usual water user fees. In the past, the District has included garbage, recycling and sewer on Property Tax Notices. Find out more about Utility Invoice changes at [www.lakecountry.bc.ca/utilities](http://www.lakecountry.bc.ca/utilities).

## Let's Skate!

## Proposed Road Closure

### Council Meeting on March 7 to hear comments from interested parties

The District of Lake Country is proposing closing an unbuilt portion of Whiskey Cove Road adjacent to the property located at 15892 Carr's Landing Road, as shown on Plan EPP124539, and removing its highway dedication for the purpose of selling the land to be consolidated with the adjacent parcel, owned by Martin and Catherine Burnely. The District is being offered \$250,000 in exchange for the land.

Bylaw 1194-2023, a Bylaw to close the area of road on PLAN EPP124539 and remove its dedication as a highway was given three readings by Lake Country Council at its meeting January 17, 2023. The proposed road closure is now being advertised to seek comment from members of the public.

**Council will hear from the public and consider adoption of the bylaw at its regular Council Meeting on Tuesday, March 7, 2023 beginning at 7 p.m.**
