Powderhounds has certified volunteer instructors who are trained to use adaptive ski equipment and provide adapted ski instruction. Inclusive Education Services staff facilitate the Powderhounds Friday Adaptive Ski School Program. A student's multi-disciplinary team may include the following: Physical Therapist, Resource Teacher, Vision Resource Teacher, and Hearing Resource Teacher. After students have participated in their *single* lesson in the Powderhounds Friday Adaptive Ski School Program, families can pursue skiing for their child by registering with People In Motion in conjunction with the Powderhounds Adaptive Snow Sports Program. Whether the students are Upright Skiers, Sit Skiers, or Snowboarders, the team of Powderhounds volunteers is prepared to "see the ability" and adapt to the student's needs. The Powderhounds Friday Adaptive Ski School Program runs from January through March.
