

Application For:

Lot 1 Plan KAP6747 Section 21 Township 20 Land District 41 Manufactured Home Reg.# 78423

PID: 002-539-993

This is the NEW location of the main house on this property. This will be the main house on this property, and the current house will be taken down. This is shown on another note on this diagram.
This will be a modest home, looking out at Okanagan Lake, facing North/West. Two story (basement and second level) and an attached garage.

This is the OLD location of the main house on this property. This home will be demolished and removed from the property as soon as the new one has been erected. The clients will live in this home while the new one is being built then this home will be demo'd and removed. This home is a mobile trailer unit.

This is a secondary living spot for workers of the farm. This building will be kept in tact and stay once the new home is built and the old main home is demolished.

This building will stay. This is a garage type building for farming the property.

This is a vehicle that was just here when this picture was taken. It is not there anymore.
